

Instructions:

1. Photocopy pages 1 and 2 of the pattern onto cardstock.
2. Cut on all solid lines, and stamp to decorate.
3. Score and fold page 2 of the pattern in an accordion fold style.
4. Punch holes through the circles.
5. Glue where indicated on the pattern. (Your dotted lines should be hidden.)
6. Glue your card shut.
7. Lace ribbon starting from the top right, going down and across the bottom, and up again to the top left. You should have enough ribbon left over to let hang down on either side of your mini blinds. Knot the ends of your ribbon. When you pull your ribbon, you'll want to pull straight out on either side.
