

Collapsible Calendar Pattern, Page 1 of 2

1. Photocopy or print pattern onto cardstock.
2. Cut both pages of the pattern out, making sure you only cut on the outside solid line.
3. Score all remaining lines, then stamp to decorate.
4. Glue Tabs A together, (with the words facing each other). Then glue the B Tabs together.

Collapsible Calendar Pattern, Page 2 of 2

- Crease and fold all scored lines before putting in your rubber band.
- Stretch your rubber band out really well, then hook together on Tabs A and B.
- Continue to glue your tabs together.
